

# Charting New Waters: A Path Forward

May 18-20, 2026

Charleston, SC

## Fact Forward's Summer Institute Call for Proposals

This form is designed to help you draft your proposal offline before submitting it through the [official online form](#). You can use the form to organize your ideas, gather co-presenter details, and prepare your proposal. Completing this form in advance can save you time and allow team collaboration. When ready, copy and paste your responses into the submission portal. The theme for Summer Institute 2026 is Charting New Waters: A Path Forward. We look forward to reviewing your proposal and hope to see you in Charleston, SC!

Presentation Title / Presentation overview (2,500 characters max)

### 3 Learning Objectives & Session Design

List 3 specific learning objectives/outcomes or attendee takeaways.

- Each objective should begin with: “In this session, attendees will be able to...”
- For each objective, indicate the teaching method(s) you will use (e.g., lecture, group discussion, case study).
- Assign an estimated time allotment for each method, ensuring the total equals 75 minutes.
- Be sure to keep your population of focus in mind when drafting your objectives and methods.

### 4 Required Forms

**Each** presenter must download, complete, and sign the following forms. Once finished, please scan and upload them with your proposal. Accepted file formats include Word, PDF, JPG, or PNG.

- ☐ [Conflict of Interest Form \(lead and co-presenters\)](#)
- ☐ [Presenter Copyright Agreement \(lead and co-presenters\)](#)

### 5 Final Steps

- ☐ Review your answers to be sure they are complete.
- ☐ Confirm that all co-presenter details and required forms are included.
- ☐ When ready, copy and paste your responses into the [official online submission form](#).
- ☐ Question? Please reach out to [summerinstitute@factforward.org](mailto:summerinstitute@factforward.org)
